

Grammar for Resumes

Capitalization and proper case can be tricky. Not all commonly-used terms in the SQL Server realm are trademarked, or even capitalized. Check your resume for correct grammar using the lists below. When in doubt, consult vendor documentation to see how they spell and case terms.

Trademarked Names

Always On	GitHub	PowerShell
Analysis Services	Integration Services	Query Store
Azure	MySQL	Reporting Services
Azure SQL Database	OneNote	SQL Server
Cosmos DB	PostgreSQL	SQL Server Data Tools
Excel	Power BI	SQL Server Management Studio

Abbreviations and Acronyms

AOAG	SAN	SSMS	ETL
HA/DR	CPU	DBA	CI/CD
T-SQL	SSDT	RPO/RTO	XML
JSON	DMV	Biml	PDF

Common Words – *not ordinarily capitalized*

business intelligence	database	log shipping	stored procedure
columnstore	execution plan	maintenance plan	table
data science	extract/transform/load	mirroring	trigger
data warehouse	failover cluster	replication	view
cube	report	staging
